

Nufinna™ utilizes hydrolyzed collagen protein, arctic cloudberry and a nutrient-rich whole fruit and vegetable blend, delivering unparalleled nutrition.

Hydrolyzed collagen protein is the most bio-identical protein source on the market. Boasting a remarkable 95% absorption rate, Nufinna delivers superior weight loss and post-workout recovery results.

Satisfy your hunger with naturally nutritious ingredients so you can stay focused on your balanced and productive day. Free of artificial colors and sweeteners, Nufinna gives you confidence that you're fueling yourself with the best.

HYDROLYZED COLLAGEN PROTEIN

Promotes lean muscle mass, muscle recovery, weight loss, skin toning, and healthy joints.

ARCTIC CLOUDBERRY

Bolsters health with vitamins A, C, E, and B, as well as calcium and magnesium.

FRUIT BLEND

Rich in antioxidants and phytonutrients to improve your healthy lifestyle.

VEGETABLE BLEND

Powerful greens that keep your systems functioning at their peak.
